There are many different kinds of owners and slaves.

It's just as they said:  
There were no slave  
owners in Middle.

Even the count  
hired someone.

Everyone worked  
hard in Middle, so  
we didn't feel the  
need for slaves.

I wonder if those two are doing well?

IF ANYTHING  
WERE TO HAPPEN TO  
YOU TWO,

I didn't think  
you'd be so worried  
about me.

I'm  
so sorry...  
I'll be sure  
to tell you in  
person next time.

There's a  
military school  
centred around  
the Ishiyoshi

contractors in  
the area.

If a particular snake were to be aware of their power, they may try to control you.

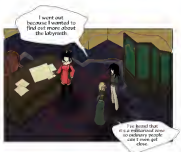

Heh. Katsura's right.

Contractors already use some of their mentality to maintain their contract.

They looked just like the two from that painting.

They were truly befitting...

of the place

where the earth

and the skies...

and the  
winds meet.

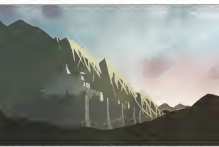

This bastard and  
that bastard...

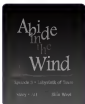

Oh right, there  
was also that kid who  
was raving about slaves  
when I graduated, too.
